WITH RESPECT TO CERTAIN EXECUTORY CONTRACTS OR  
UNEXPIRED LEASES TO BE ASSUMED AND ASSIGNED TO PARNASSUS  
HOLDINGS II, LLC UNDER MODIFIED PLAN OF REORGANIZATION**

Connecticut General Life Insurance Company ("CGLIC"), by and through its undersigned counsel, hereby objects ("Objection") to the **second** *Notice of Assumption and Assignment with Respect to Certain Executory Contracts or Unexpired Leases to be Assumed and Assigned to Parnassus Holdings II, LLC Under Modified Plan of Reorganization* ("Assignment Notice").<sup>1</sup> More specifically, through this Objection, CGLIC objects to (i) any proposed assumption and/or assignment of its Agreements (defined below); and (ii) the proposed

cure amounts set forth in the Assignment Notice.<sup>2</sup> In support thereof, CGLIC respectfully states as follows:

### **BACKGROUND**

1. On October 8, 2005, the above captioned debtors (“Debtors”) filed petitions for relief under chapter 11 of title 11 of the United States Code (“Bankruptcy Code”).

2. CGLIC and the Debtors are parties to certain agreements pursuant to which CGLIC provides, *inter alia*, healthcare insurance services to the Debtors’ domestic<sup>3</sup> employees (“Employees”) in connection with the Debtors’ employee healthcare benefits plan (“Plan”). Specifically, CGLIC and the Debtors are parties to, among other things, (i) an Administrative Services Only Agreement, effective January 1, 2001; (ii) a Transaction Agreement, effective January 1, 2009; (iii) a Stop Loss Policy and Schedules of Insurance, effective January 1, 2007, as updated from time to time; (iv) a Managed Dental Contract, effective July 1, 2008; (v) an HMO Group Service Agreement, effective July 1, 2008; (vi) an Open Access Plus Medical Benefits Policy, effective April 1, 2006; and (vii) a Dental PPO Insurance Policy, effective January 1, 2008 (collectively, with all supplements, riders, amendments and schedules thereto “Agreements”).

3. On June 1, 2009, the Debtors filed the *First Amended Joint Plan of Reorganization of Delphi Corporation and Certain Affiliates, Debtors and Debtors-in-Possession (As Modified)* (“Modified Plan”). The Modified Plan states that “[a]ll executory contracts and unexpired leases as to which any of the Debtors is a party shall be deemed

<sup>2</sup> The Assignment Notice does not specifically identify any agreements by and between CGLIC and Debtors. However, to the extent that it purports to include some, but not all non-expatriate agreements entered into by and between CGLIC and the Debtors, CGLIC hereby asserts a standing objection to all future notices of assumption and assignment with respect to any and all agreements by and between CGLIC and the Debtors for the reasons set forth herein.

<sup>3</sup> Healthcare service agreements between CGLIC and Debtors related to Debtors’ expatriate employees, and the Debtors’ proposed disposition thereof, are addressed in the *Objection of Connecticut General Life Insurance Company to Notice of Assumption and Assignment With Respect to Certain Executory Contracts and Unexpired Leases to be Assumed and Assigned to Parnassus Holdings II, LLC Under Modified Plan of Reorganization* [D.I. 18652].

automatically assumed by the applicable Reorganized Debtor in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code as of the Effective Date . . . .” Modified Plan, § 8.1(a). As of the date of this Objection, the Agreements have neither been assumed nor rejected.

4. On July 29, 2009, CGLIC was served with the Assignment Notice which states that the contract(s) listed on Schedule 2 thereto (“Schedule 2”) “will be assumed by the Debtors and assigned to Parnassus Holdings II, LLC (“Parnassus”) . . . , as provided in the Modified Plan and the Supplement.” Assignment Notice, p. 1. Schedule 2 provides as follows:

Non-Debtor Counterparty	Applicable Manufacturing Facility	Contract(s)	Cure Amount (If Any)	Rejected Contracts (If Any)
CIGNA Healthcare	Corp Headquarters	450842026	\$0	

### **OBJECTION**

5. CGLIC objects to the Assignment Notice on the following grounds: (i) the Debtors have not specifically identified what Agreements, if any, they propose to assume and assign; (ii) Schedule 2 is ambiguous regarding whether any Agreements will be assumed and assigned; and (iii) if the Agreements are to be assumed and assigned, the Debtors have not complied with their obligations under section 365(b) of the Bankruptcy Code.

A. The Debtors Must Specifically Identify Which Agreements They Intend to Assume and Assign

6. CGLIC objects to the Assignment Notice because the Debtors have not specifically identified the Agreements they propose to assume and assign. As set forth more fully above, CGLIC and the Debtors are parties to several agreements related to the Plan. Yet the Assignment Notice does not provide CGLIC with sufficient information to determine which Agreements the Debtors are seeking to assume and assign. Accordingly, the Debtors must be required to confirm which of the Agreements they intend to assume and assign pursuant to the

Assignment Notice. Significantly, certain of the Agreements are integrated and inseparable and cannot be bifurcated. Thus, CGLIC objects to any attempt by the Debtors to separately assume and assign the Agreements.

B. The Assignment Notice is Ambiguous as to Whether the Agreements Will Be Assumed and Assigned to Parnassus

---

7. CGLIC objects to the Assignment Notice because it is ambiguous as to whether the Debtors are seeking to assume and assign any of the Agreements to Parnassus. Schedule 2 provides as follows:

Unless identified as a rejected contract or lease pursuant to Article VIII of the Modified Plan, all contracts or leases primarily relating to business conducted at any of the Debtors' manufacturing facilities, including, but not limited to, the contracts and leases listed on this Schedule, will be assumed by the Debtors and assigned to Parnassus, other than contracts or leases primarily relating to (a) the Debtors' Steering business, including, but not limited to, business conducted at the manufacturing facility in Saginaw, Michigan, (b) business conducted at the manufacturing facilities located in Grand Rapids, Michigan; Rochester, New York (excluding the Henrietta technical center); Kokomo, Indiana (including the Cuneo Warehouse, and including the technical center); and Lockport, New York (including the technical center); and (c) business conducted at certain manufacturing facilities located in Athens, Alabama; Fitzgerald, Georgia; New Castle, Indiana; Olathe, Kansas; Flint, Michigan; Saginaw, Michigan (Chassis); Clinton, Mississippi; Columbus, Ohio; Cortland, Ohio; Dayton, Ohio; Kettering, Ohio; Ravenna, Ohio; Warren, Ohio; Columbia, Tennessee; and Oak Creek, Wisconsin.

Assumption Notice, Schedule 2.

8. On its face, Schedule 2 appears to indicate that the Debtors propose to assume and assign one or more of the Agreements. However, the Assignment Notice also states that the Debtors will *not* be assuming and assigning those executory contracts which relate to certain specified manufacturing facilities. This leaves open the possibility that the contract(s) listed on Schedule 2 that relate to the businesses identified in (a) – (c) are not being assumed and assigned.

9. Under the Agreements, CGLIC provides healthcare insurance services to the Debtors' Employees who work in various manufacturing facilities throughout the United States. Some or all of the Employees may work for "the Debtors' Steering business" and/or may work for one of the enumerated facilities. The information in Schedule 2 does not permit CGLIC to determine whether the Debtors are actually seeking to assume and assign the Agreements to Parnassus. Notably, both the terms of the Agreements and the doctrine of *cum onore* would prohibit any effort to assume or assign only that portion of the Agreements that relate to specific locations or divisions. Thus, CGLIC objects to any proposed assumption and assignment that carves-out those Employees who work for either the Debtors' Steering business or for the facilities enumerated in (a)-(c) of Schedule 2.

C. Any Proposed Assumption and Assignment to Parnassus Must Comply with Section 365(b) of the Bankruptcy Code

10. Section 365(b) of the Bankruptcy Code requires a debtor, prior to the assumption of an executory contract, to cure defaults and provide adequate assurance of future performance under such contract. 11 U.S.C. § 365(b)(1). While it is unclear whether the Agreements will be assumed and assigned, to the extent that they will, the Debtors have failed to comply with their obligations as set forth in section 365(b) of the Bankruptcy Code.

11. CGLIC objects to the Assignment Notice because the Debtors have not provided CGLIC with any meaningful adequate assurance of future performance information with respect to Parnassus or any other proposed assignee. Instead, the Assignment Notice simply states "the Debtors assert that there is adequate assurance of Parnassus' future performance under the executory contract or unexpired lease to be assumed and assigned because of the significant resources of Parnassus." Assignment Notice, p. 3. This is clearly insufficient. At a minimum, CGLIC will need to be provided with, and be given a meaningful opportunity to review, relevant

and specific information relating to any proposed assignee in order to ensure that the assignee is able to perform pursuant to the terms of the Agreements.

12. CGLIC further objects to the Assignment Notice based on the cure amount set forth in Schedule 2. As a condition precedent to the assumption of the Agreements, the Debtors must pay all amounts due under the Agreements *as of the date the Agreements are actually assumed* ("Effective Date"). See 11 U.S.C. § 365(b)(1).

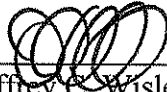

13. The Debtors' proposed cure amount of \$0 is not correct. As of June 30, 2009, the Debtors owe, pursuant to the terms of the Agreements: (i) \$10,976,596.65, and (ii) other amounts that are not yet known to CGLIC with respect to the Debtors' obligation to fund the payment of claims under the Plan.

14. In addition to amounts due and unpaid on the Effective Date, the Debtors must fund all amounts necessary ("Funding Obligations") to process and pay all eligible healthcare claims under the applicable healthcare plan that are incurred by eligible employees and their eligible dependents prior to the Effective Date that have not been submitted, processed and paid as of the Effective Date. Accordingly, the cure amount due with respect to any of the Agreements that the Debtors assume and/or assign must include all accrued and unpaid amounts due under such Agreements as of the Effective Date, as well as all Funding Obligations.

WHEREFORE, CGLIC respectfully requests that this Court enter an order that: (i) requires the Debtors to specifically confirm that they seek to assume and assign the Agreements, *cum onore*; (ii) denies assumption and assignment of the Agreements until adequate assurance of future performance has been provided to CGLIC; (iii) as a condition precedent to the assumption of the Agreements, requires the Debtors to remit the full amount due and owing to CGLIC under the Agreements as established on the date the Agreements are actually assumed; and (iv) grants CGLIC such additional relief as this Court deems just and proper.
